# 14<sup>th</sup> Annual Recognition and Awards Luncheon

January 2019

Dear Community Supporter,

We need your help to address the opioid crisis and substance abuse in Sarasota County. The Sarasota Coalition on substance Abuse has united with community partners to combat the emerging substance abuse issues that Sarasota is facing today.

Preparations are underway for our 14th Annual Shining Stars Recognition and Awards Luncheon where we honor Sarasota's own Citizen of the Year, and Shining Star students from our local Sarasota County Schools. We will also recognize our Community Leadership partners. This well attended event will be held on Thursday, March 28th, 2019 from 11:30 a.m. to 1:30 pm at Michael's on East in Sarasota. **We invite your participation in this community event as an exclusive donor to our silent auction. Your tax-deductible donation of goods or services will help provide much needed funds to enable the Sarasota Coalition on Substance Abuse to continue and strengthen its mission.**

Substance abuse is of great concern in our community. Three reasons to support this fundraising effort are that substance abuse is the:

- Leading cause of accidental deaths,
- Leading reason children are placed into protective custody, and
- Most frequently disabling condition self-reported by the homeless.

Thank you for your commitment to improving the lives of all the residents of Sarasota County. We look forward to including you as a donor and recognizing your company at the luncheon. For more information call 941.928.4435 or visit our website at [www.scosa.org](http://www.scosa.org).

Sincerely,

*Paul K. Sutton*
